SIR,

Next 11/1/37

In continuation of my letter No.F.1285-36/R.O.II, dated the 17th November 1936, I am directed to say that the Government of India have intimated that the Auditor General in India will arrange with the Accountant General, Madras, and the Accountant General, Posts and Telegraphs, to afford facilities to Mr. Srinivasan to study the methods of work in the offices of the Accountant General, Madras, and the Deputy Accountant General, Posts and Telegraphs, Madras.

2. I am to add that the Government of India regret that facilities for Mr. Srinivasan's study in a Public Debt Office cannot be arranged. They suggest that if the Government of Mysore wish to introduce in their offices procedure similar to that followed in Public Debt offices in British India, application may kindly be made for the loan of the services of an officer for the purpose.

I have the honour to be,
Sir,
Your most obedient servant,

for SECRETARY TO THE RESIDENT.

Mr. E. V. Ganapathi Iyer was similarly extended facilities for study in the Public Debt work at Bombay in 1926 when the work was managed by the Imperial Bank of India. The papers are not readily available.

2 Under the Reserve Bank of India Act the Public Debt work has been formally taken over by the Reserve Bank. In that event we have perhaps to approach the Governor or Deputy Governor.

Messrs. C. P. Venkatarangiya, Y. Subramanyam & all others who were deputed to Madras were being allowed facilities to study the work in the Imperial Bank. The arrangement was made by the Accountant General Madras, who is also Ex-officio Deputy Controller of Currency at Madras.
